

DATE: March 20, 2017

2:00 p.m. - Convened/Board of Health.

Present: Troy Henderson.

DIVISION UPDATES:

Minutes:

078787H 24. Commissioner Swannack **moved** Commissioner Kinzer **seconded** the motion and it **carried** to approve the Board of Health minutes of January 17, 2017.

Health Officer:

D078787I 25. On behalf of Dr. Bowman, Troy Henderson noted there is a possible case of Chickens Pox in the Tekoa area.

D078787J 25A. A 2nd measles case that came into contact with the 1st confirmed measles case is being tested but could have been vaccination induced.

Environmental Health:

D078787K 26. Staff is doing well; they are making changes for more logical purposes and Environmental Health fees may be simplified and reduced.

D078787L 26A. Mr. Henderson advised the Board a letter was sent to the owner of the property along the Snake River that buried wood chips (hog fuel) years ago. He noted the owner is working with the county to resolve the issue.

Personal Health:

D078787M 27. The Health Department has applied for an early intervention grant called "First Thousand Days" geared towards children exposed to too many traumatic incidents early in life that cause issues later in life.

Administrative Division:

D078787N 28. None.

078788 29. A copy of the draft Public Health Strategic Plan was received and is being reviewed by the Board.

Next Meeting/Adjournment:

D078788A 30. At 2:20 p.m. the Board of Health adjourned. The next Board of Health meeting is May 15th.
