Whitman County has received 16 new positive COVID-19 test results over the weekend and today, bringing the County total to 1840. New cases include: 1 female and 1 male between the ages of 0-19, 5 females and 3 males between the ages of 20-39, 3 females between the ages of 40-59, and 3 females between the ages of 60-79. 6 cases are currently hospitalized. All other cases are stable and self-isolating.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance. Masks are an easy and effective way to reduce the spread of COVID-19.

Future Whitman County press releases will be as needed.
