Indoor social gatherings in the State of Washington are restricted from November 17, 2020 to January 4, 2021 unless:

- All participants quarantine for fourteen (14) days prior to the social gathering.
- All participants quarantine for seven (7) days prior to the gathering, and receive a negative COVID-19 test result no more than 48-hours prior to the gathering.

Gathering with people you don't live with – even close friends and family – may spread COVID-19. The safest action for everyone is to avoid gatherings, even outdoors, and find different ways to celebrate this season. For recommendations on how to make any gathering safer visit <https://coronavirus.wa.gov/information-for/you-and-your-family/safer-gatherings>.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance. Masks are an easy and effective way to reduce the spread of COVID-19.
