

News Release

For immediate release: April 14, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County has 1 new positive COVID-19 test result bringing the total to 13 within the County. The new positive is a female who is over the age of 80. Whitman County Public Health is investigating.

The CDC recommends wearing homemade masks in public where social distancing is impractical.

The Whitman County Health Department regularly updates their Facebook page with helpful information regarding personal protection and the status of county health operations.
