

News Release

For immediate release: April 17, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County remains at a total of 14 positive COVID-19 test results. 11 of the 14 positive patients have recovered and 3 are isolating at home.

This will be the County's last daily press release, future press releases will be as warranted.

The Whitman County Health Department regularly updates their Facebook page with helpful information regarding personal protection and the status of county health operations.
