

News Release

For immediate release: May 14, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County has received a positive COVID-19 test result today. The patient is female between 20-39 years old and is stable and isolating at home. Close contacts have been notified and are being tested. The Washington State Secretary of Health has been notified and this case is not expected to have an impact on the Whitman County Phase 2 waiver request.

The Whitman County Health Department regularly updates their Facebook page with helpful information regarding personal protection and the status of county health operations.

Future Whitman County press releases will be as needed.
