

News Release

For immediate release: May 4, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County remains at a total of 16 positive COVID-19 test results. Case number 16 is stable and isolating at home. 14 of the 16 positive patients have recovered and 2 are isolating at home.

Whitman County was not eligible for initial Phase 2 waiver, requirement was no positive COVID-19 test in previous three weeks. Whitman County's last positive COVID-19 test was April 22, 2020. The possibility of future waivers to reopen at a quicker pace than State and metrics required have not been finalized.

The Whitman County Health Department regularly updates their Facebook page with helpful information regarding personal protection and the status of county health operations.

Future Whitman County press releases will be as needed.
