

News Release

For immediate release: June 26, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County has received one new positive COVID-19 test result. Patient is a female aged 20-39 and is stable and isolating at home. This brings the County to a total of 36 positive cases.

23 of the 36 have recovered, 12 are isolating at home and one previous case is now hospitalized due to complications associated with COVID-19 infection.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance.

The Whitman County Health Department regularly updates their website with helpful information including phased opening guidance, personal protection and the status of county health operations.

Future Whitman County press releases will be as needed.
