

News Release

For immediate release: June 29, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County has received 2 positive COVID-19 test results, bringing the County total to 38. The new cases are both males aged 40-59. 31 of the 38 have recovered, 6 are stable and isolating at home, and 1 is hospitalized.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance. Washington State has made masks in public places mandatory starting 6/26/2020.

The Whitman County Health Department regularly updates their website with helpful information including phased opening guidance, personal protection and the status of county health operations.

Future Whitman County press releases will be as needed.
