The Washington State Secretary of Health has approved Whitman County's Phase 3 application request. Individual businesses must operate under Governor's Phase 3 guidelines which can be found at <https://coronavirus.wa.gov/what-you-need-know/safe-start>. People in high risk populations are strongly encouraged to limit their participation in social activities.

Whitman County remains at 20 total positive COVID-19 test results. 18 of the 20 have recovered and 2 are stable and isolating at home.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance.

The Whitman County Health Department regularly updates their website with helpful information including phased opening guidance, personal protection and the status of county health operations.

Future Whitman County press releases will be as needed.
