

News Release

For immediate release: July 17, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County has received one new positive COVID-19 test result. The new case is a male between the ages of 40-59 years old. He is stable and self-isolating. This brings the County to a total of 58 positive cases. 47 of the 58 are cleared to discontinue isolation and 11 are stable and self-isolating.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance. Masks are an easy and effective way to reduce the spread of COVID-19.

The Whitman County Health Department regularly updates their website with helpful information including phased opening guidance, personal protection and the status of county health operations.

Future Whitman County press releases will be as needed.
