

News Release

For immediate release: July 3, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County has received two positive COVID-19 test results today. Both patients are male, one is aged 20-39 and the other is aged 40-59. Both are stable and isolating at home. This brings the County to a total of 43 positive cases.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance.

The Whitman County Health Department regularly updates their website with helpful information including phased opening guidance, personal protection and the status of county health operations.

Future Whitman County press releases will be as needed.
