

News Release

For immediate release: August 2, 2020

Contact: Troy Henderson, Director of Public Health, 509-397-6280 – Bill Tensfeld, Director of Emergency Management, 509-397-5605

Whitman County has received five new positive COVID-19 test results bringing the County total to 95.

Two females between the ages of 60-79.

One male between the ages of 0-19.

One male between the ages of 20-39.

One female between the ages of 40-59.

All are stable and self-isolating.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance. Masks are an easy and effective way to reduce the spread of COVID-19.

Future Whitman County press releases will be as needed.
