Whitman County has received four new positive COVID-19 test results, bringing the County total to 142. Two are female and two are male, all between the age of 20-39 years old. All are stable and self-isolating.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance. Masks are an easy and effective way to reduce the spread of COVID-19.

Future Whitman County press releases will be as needed.
