Whitman County has received 30 new positive COVID-19 test results bringing the County total to 172. 15 are male and 15 are female all between the ages of 20-39. All are stable and isolating. One of the new positive cases is in congregate living (Greek life).

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance. Masks are an easy and effective way to reduce the spread of COVID-19.

Future Whitman County press releases will be as needed.
