

News Release

For immediate release: March 26, 2021

Contact: Chris Skidmore, Director of Public Health, 509-397-6280 – Ben Stone, Public Information Officer, 509-397-6280

Whitman County has received 12 new positive COVID-19 test results today, bringing the County total to 3779. All cases are stable and self-isolating. Total deaths, to date, are 46. Total hospitalizations, to date, are 94.

Demographics of New Cases		
Age Range	Female	Male
0-19	5	0
20-39	3	4
40-59	0	0
60-79	0	0
80+	0	0

COVID-19 VACCINE INFORMATION: We are currently in Phase 1B, tier 2 of vaccine distribution. Individuals can now assess their eligibility for the COVID-19 vaccine using Phase Finder at **FindYourPhaseWA.org**. If you are eligible, please print or take a screenshot of your eligibility certificate. Eligible individuals will then be redirected to a new page with information on how to register for local vaccine clinics. Those not currently eligible to receive vaccinations can sign-up for an automated notification when you do become eligible.

Washington State Roadmap to Recovery: the state has moved to a regional activity metric to determine re-opening phases. Please visit <https://coronavirus.wa.gov/what-you-need-know/covid-19-risk-assessment-dashboard#dashboard> to determine the risk and current phases by region for the East Region. **We are in Phase 3 of the Washington State Roadmap to Recovery Plan.**
