Whitman County received one new positive COVID-19 test result on Sunday, bringing the County total to 131. The patient is male between the ages of 60-79 years old. He is stable and self-isolating.

Current COVID-19 activity highlights the need for individuals to maintain social distancing and personal vigilance. Masks are an easy and effective way to reduce the spread of COVID-19.

Future Whitman County press releases will be as needed.
