Would you like to be listed on the Whitman County OSS Qualified Designers List provided to the public? Yes No

There is no fee associated with verifying your credential or being listed on the qualified designers list. The list will be updated on January 1 of each year, and is distributed to the public on our website and through our on-site septic program. Only Engineers licensed under Chapter 18.43RCW and Designers licensed by or holding a practice permit from the Washington State Department of Licensing are eligible for inclusion on the Qualified Designers List.
